Summer Preview—It’s All about Family!

Like you, Judy and I are planning out our summer.

- two trips to Cannon Beach Conference Center, one in May and another in August...
- Summer Activities for Kids
- Bob and his family are coming in June...
- a week away at the beach...
- and...a lot of opportunities for families on the Hillside of Church of the Open Door!

We’re going to be sure that Bob’s two older children get to go to Scott Dodson’s Vacation Bible Adventure. It’s so important to us that we’re planning the entire visit around that opportunity!

We’re going to make sure we’re here to help launch this summer’s Sports Outreach Camp. It’s so important to us that we’re planning our entire summer around that opportunity!

In this edition of the Open Door you’ll find many opportunities for your family and the families you’re praying for this summer. I hope you’ll join Judy and me in planning your schedule in ways that open your life to spiritual opportunities being a part of this church family afford.

Editor’s Note: Statistics indicate that more than 80% of Christians trust Christ between the ages of 4 and 14. This is the reason we place such great emphasis on inviting children and teens to participate in our summer activities. Every summer we have the joy of seeing kids and youth become believers—many are from families that do not attend church. The Lord Jesus rebuked his disciples when they felt He was wasting His time with children. He responded, “Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven” (Matt. 13:14). Please pray for our summer programs that many will come to know Jesus.

What a delight to see this gifted couple in their environment. Teaching and relating to the people in this Asian country with such joy and really pretty much without reserve. In February, Scott Dodson, Janet Donnelly and I had the opportunity to visit the Schaller family in the countryside where they teach.

Walter Scott and the team have a lot of surprises in store. Registration is free and optional. T-shirts are $10.
